To Whom It May Concern:

It has been our privilege and pleasure to have known Shari Bach for the past thirteen (13) years on both a business and friendship basis. Throughout our acquaintance we have observed Shari in many different situations. Shari is honest and hardworking. She has consistently exhibited the ability to take on a task and see it through to completion, superior organizational skills, and a fervor for and sincere dedication to that which she strongly believes in.

Shari has a sincere love for animals and she has always been earnest and committed to their rescue and protection. We know very few people who are as emotional about and dedicated to a cause as Shari is to hers.
